

## Digital Presentations

**Intended Audience:** Grades K-12 teachers

**Subject Area Curricula and Overlaps:**

LwlCT, inquiry, all curricular areas and perspectives including assessment, universal design and education for sustainable development

**Dates:**

Session One – Friday, February 20, 2009 – 9:00 a.m. – 3:30 p.m.

Session Two - Monday, March 16, 2009 – 1:00 p.m. – 3:30 p.m. (half day only)

**Location:** Room 125, ETSS Learning Commons, Administration Building No. 2

**Description:**

This two-part session will provide participants with the skills necessary to prepare a digital presentation by offering teachers an opportunity to:

- Explore visual literacy
- Examine media literacy
- Capture digital data (digital images and sound)
- Edit digital images and sounds
- Prepare and present a digital presentation
- Insert images and sounds into a presentation
- Connect a video projector to a computer
- Discuss what makes a successful presentation
- Receive encouragement and support to try new ideas, plan, share and implement strategies

Limited substitute coverage is available. Please indicate your request for a substitute on the registration form.

Participants are requested to bring any work samples they may wish to use in their presentations and an empty USB memory stick (2 GB minimum) to take away activities.

For more information please contact the ETSS team at 789-0461 or e-mail [lhaug@wsd1.org](mailto:lhaug@wsd1.org).
