**Dates:**

Session 1 – Tuesday, October 28, 2008, 9:00 a.m. – 3:30 p.m.

Session 2 – Tuesday, January 13, 2009, 9:00 a.m. – 3:30 p.m.

Session 3 – Tuesday, March 24, 2009, 9:00 a.m. – 3:30 p.m.

**Location:** Room 125, ETSS Learning Commons, Administration Building No. 2

**Description:**

This professional learning series will provide participants with opportunities to build upon an existing understanding of the LwlCT continuum, the inquiry process and assessment for learning. During this process teachers will be guided through planning and implementing an inquiry and collecting evidence of learning as it pertains to the Big Ideas in the LwlCT continuum. At the final session, teachers will be asked to bring samples of student work which span the entire project. Participants are asked to commit to three days throughout the year.

Limited substitute coverage is available. Please indicate your request for a substitute on the registration form.

Participants are requested to bring any work samples they may wish to use in the final session and an empty USB memory stick (2 GB minimum) to take away activities.
